2022 Voluntary Contributions Kindy – Year 6

Voluntary Contributions will be used to supplement school expenditure in the areas listed.

While they are voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution. Contributions supplement funding gained from other sources including the State and Commonwealth governments.

School Refund Policy

School extra cost optional activities eg. Excursions/incursions/camps, are undertaken by the school on a self supporting cost basis. If you have paid for an activity and your child is unable to attend, please notify the school as soon as possible. If the school has incurred a cost/s for an activity on behalf of a student this will be deducted from any refund. The refund can be credited towards another activity, at a later date.

2022 Charges

The term '**Charges**' refers to the cost of extra optional activities which are a part of any education programme and which contributions do not cover. All the items are optional and if no payment is received, an educational activity with a similar outcome will be provided to that student. The estimated costs are at an upper limit and will not exceed this amount. These costs will only occur if the activity is actually undertaken. If you have any difficulty with paying any of the contributions or charges for your child, you can discuss a payment plan with the Manager Corporate Services.

Payment will be requested during the school year when costs and participation are confirmed.
