## Message from the Principal

During Term 3 we have had some staff join us at Pine View PS. Welcome to the following new staff:

Jen Oversby - Deputy Principal. Ms Oversby will have the Education Support Program portfolio.

Sandy Clancy - Library and Administration Support Officer (Tuesday - Friday)

Mark Oakley - Gardener (Tuesday and Thursday)

Congratulations and best wishes to our wonderful Kindy Teacher, Chelsea Brooks who is getting married next Friday! All the very best Chelsea, we look forward to seeing the photos.

Congratulations to Mr Clayton Bird for being chosen to produce Physical Education curriculum materials for the Education Department.

## Enrolments for 2022

We are currently taking enrolments for Kindy to Year 6 and for our Education Support Program (the building is nearly complete) for 2022. Application to Enrol forms are available on our website or by contacting the office.

## Communication with Parents

We are in the process of updating our website and are aiming to include photos of our school events. All parent communication is via Skoolbag. We are currently working on having the Qkr app available to parents. This app will enable parents to make payments to the school and complete permission forms online. We will send out instructions once this is installed.

## Parking

There has been a few instances in which the front carpark has been used as a 'kiss and drop'. For our students safety please ensure that you are only parking in the marked bays and that students are only entering and exiting the car when it is parked in a carpark bay.

## Camp Australia

If your child attends before and after school care at Pine View Primary School, please remember to arrange vacation care for the holidays. Camp Australia runs a Rocketeers Holiday Program at Tuart Rise Primary School.

# CONTAINERS FOR CHANGE

*Pine View is now a Containers for Change School!*

Pine View Primary has become a Containers for Change school with the delivery of our new blue bins. Bring in your recyclable cans and bottles, which will help us to raise money to build a school vegie garden. Look for the 10c mark on your container's label, then bring them into school and pop them into one of our blue bins (located in G Block and O Block). Once our bins are full, they'll be collected and processed by our friends at Baldivis Community Recycling – then we can start collecting all over again.

So don't feed the fill – be a container saver for your school community!
